Always recognised as a master print from the moment of its appearance around 1649, The Hundred Guilder Print is one of Rembrandt's most compositionally complex and visually beautiful works. This book gives a full overview of the fascinating story surrounding this print, from its genesis and market value to attitudes towards it in the present day.

Focusing on the tradition of printmaking as well as the reception of the print in Rembrandt's time, Golahny explores the ways the artist made visual references to the work of such masters as Michelangelo, Raphael and Leonardo da Vinci, while uniquely combining aspects of Christ's ministry. Placing it within its wider cultural and historical context, Rembrandt's Hundred Guilder Print offers an original and engaging approach to current Rembrandt scholarship and is essential reading for anyone interested in the work of one of the most famous artists of the Dutch Global Age. Knowing nothing of Singapore in the 1990s, a young Englishman, Neil Humphreys, arrives in the land of "air-conned" shopping centres and Lee Kuan Yew. From the aunties in the hawker centres to expats dressed as bananas, from Singlish to kiasuism, and from Singaporeans at home to Singaporeans abroad, Humphreys explores all aspects of Singaporean life, taking in the sights, dissecting the culture and illuminating each place and person with his perceptive and witty observations. Written by someone who is at once both insider and outsider, the book is a wonderfully funny and disarmingly honest portrait of Singapore and its people. That was the original synopsis. And a cult classic was born. First published in 2001, Notes from an Even Smaller Island became an extraordinary success, selling tens of thousands of copies. It popped up on the national bestseller several times over the years and launched Neil's stellar writing career. This 20th anniversary edition contains new material; Neil has gone back and re-evaluated his first book, looking at what he got right, what he definitely got wrong and updating readers on key characters, stories and crazy incidents. He also includes never-previously published photos to prove - once and for all - that every word of his irreverent work was true.

Traditional critical editing, defined by the paper and print limitations of the book, is now considered by many to be inadequate for the expression and interpretation of complex works of literature. At the same time, digital developments are permitting us to extend the range of text objects we can reproduce and investigate critically - not just books, but newspapers, draft manuscripts and inscriptions on stone. Some exponents of the benefits of new information technologies argue that in future all editions should be produced in digital or online form. By contrast, others point to the fact that print, after more than five hundred years of development, continues to set the agenda for how we think about text, even in its non-print forms. This important book brings together leading textual critics, scholarly editors, technical specialists and publishers to discuss whether and how existing paradigms for developing and using critical editions are changing to reflect the increased commitment to and assumed significance of digital tools and methodologies. Large Print Sudoku Puzzle Book With 1 Per Page Book features: 100 Sudoku Puzzles Instructions Page Bold Big Easy To Read Beginners Level Easy Mode Solutions Pages Premium matte cover design Perfectly Sized at 8.5" x 11" Flexible Paperback Printed on high quality Perfect gift for adults and seniors who love mental exercises and brain jogging. The fourth estate. Mexico making a bid for global supremacy? Poland becoming America's closest ally? World War III taking place in space? It might sound fantastic but all these things can happen. In "The Next 100 Years", George Friedman, author of the huge bestseller "America's Secret War" offers a lucid, highly readable forecast of the changes we can expect around the world during the 21st century. He predicts where and why future wars will erupt, and how they will be fought; which nations will gain and lose economic and political power; and how new technologies and cultural trends will alter the way we live in the new century. Collects one hundred scriptural passages from the Bible on angels, miracles, and heaven and pairs them with the author's uplifting messages and observations. 100 numbered Bible promises are paired with thoughtful meditations and commentary on their meaning and impact on daily life. Each entry highlights how the themes of love,

grace, and hope fill the Bible. Passages and commentary are accompanied by full-color inspirational photos. 96 pages This is a large-format Sudoku book with easy-to-read type. This is a large-format Sudoku book with easy-to-read type. This Book Included- 100 LARGE PRINT PUZZLES WITH SOLUTIONS Wide inner margins Suitable for all levels ONE PUZZLE PER PAGE IDEAL GIFT FOR THOSE WITH LIMITED EYESIGHT Three Hundred Years Hence Mary Griffith's Three Hundred Years Hence (1836) is the first attempt by an American woman to create a literary utopia. With this work, Griffith begins a literary conversation on women and marriage, including women's rights and gender equality, and she imagines new laws and reforms that strengthen marriages, married life, and family satisfaction. Griffith's work situates marriage as an integral part of a successful environment and imagines solutions to national concerns regarding women that will be addressed later in the century. Griffith tackles slavery, alcoholism, and divorce laws, as well as issues that directly affected married women, particularly white married women. In the novel, women have earned equality without negatively affecting domesticity or female purity. Women's daily lives are improved, educational opportunities are opened to women, children's lives are valued in the new community, and order in the home and community serve as the basis for utopia. Griffith's vision is bold even as it is limited because, while women are often the creative minds behind the utopian improvements that are described, in the plot itself, women are silent. Other weaknesses in the plot include the oversimplified solution to slavery and the ambiguous resolution of the fate of Native Americans within the utopia. Tragically, in her vision, Griffith has eliminated both groups from the community. Griffith mixes futuristic technological improvements with biting commentary on contemporary social issues and the treatment of women. Griffith uses the genre of utopian vision to present solutions to many challenges facing 19th-century white women.

Welcome to the Special 100+ Extra Large Print Word Find Word Circle Puzzle ... An Exceptional Circle a Word Jumbo Word Search for Seniors, A Unique Jumbo Large Print Word-Finds Puzzle Book-Word Search Volume 1 In this Extra Large Word Search Puzzle Book, you will find 100+ full-page, quality puzzles. Each of these Puzzles has an "easy-to-see" layout to prevent eye strain for anyone with limited eyesight. These full-page puzzles also include easy-to-read word lists with giant fonts. Besides, there are about 30 interesting and unusual words to find and circle in each puzzle ...some of which you may never have heard of! To increase the fun, the solutions for each puzzle point in a number of directions including, forward, backward, and with some word letters crisscrossing each other within the grid. Without a doubt, these super fun brainteasers are challenging, baffling, and absorbing and will help work your brain exercise and keep your mind young. In the process, you will improve your vocabulary, memory, concentration, and pattern recognition skills. This book is perfect for beginners and word search experts. Here is the Puzzle Book Details: ♦ Easy-to-read 32-point

typeface font ♦ Letters and words are well spaced. ♦ Puzzles can run forward, backward, or diagonally. ♦ Some letters criss-cross each other for greater variety. ♦ Jumbo full-page puzzles Word Search with Words List. ♦ About, 30 fascinating words to find in each puzzle, 102 Word Search puzzles to solve ♦ This giant book is 8.5" x 11" printed on high-quality glossy paper. An ideal gift for those with limited eyesight. As a matter of fact, this book is suitable for all puzzle lovers. You can check the Answers on the back pages in case you are stuck! Now, won't you rather get your copy and experience a new level of relaxation and brain workout? ...for both young and old! Anyway, thank you for your interest in this book. Enjoy the Puzzles! New Sudoku puzzles from the famous Japanese author Charlie Ikeda! Book features: 100 Sudoku (LARGE PRINT) From EASY to HARD LEVEL Including all Solutions Many hours of fun! A real challenge for everyone! Click on the "Buy Now" button and let your customers have fun with this amazing book!
