A critically acclaimed #1 New York Times best-seller with more than one million copies in print! Now a major motion picture. Gritty with pain, betrayal, and brutality, this incredible true story also shines with an unexpected, life-changing love. Meet Denver, raised under plantation-style slavery in Louisiana until he escaped the "Man" in the 1960's by hopping a train. Untrusting, uneducated, and violent, he spends 18 years on the streets of Dallas and Fort Worth. Meet Ron Hall, a self-made millionaire in the world of high-

priced deals—an international arts dealer who moves between upscale New York galleries and celebrities. It seems unlikely that these two men would meet under normal circumstances, but when Deborah Hall, Ron's wife, meets Denver, she sees him through God's eyes of compassion. When Deborah is diagnosed with cancer, she charges Ron with the mission of helping Denver. From this request, an extraordinary friendship forms between Denver and Ron, changing them both forever. A tale told in two unique voices, *Same Kind of Different as Me* weaves two completely different life experiences into one common journey. There is pain and laughter, doubt and tears, and in the end a triumphal story that readers will never forget. Continue this story of friendship in *What Difference Do It Make?: Stories of Hope and Healing*, available now. *Same Kind of Different as Me* also is available in Spanish.

For Westerners and Americans in particular, Philippine culture is deceptively familiar. Vestiges of Spanish and American colonial culture, as well as contemporary American media, have created resonances for identifying American culture in Philippine culture. This book guides the reader in re-examining these assumptions of sameness. By taking an unfamiliar text of a noted writer of Tagalog fiction, this study restores the sense of wonder in experiencing Tagalog culture on its own terms rather than by tastes dictated from the outside. The book also examines the

broader Tagalog traditions in which the writer, Amado Hernandez, wrote.

**Luha ng buwaya** Sep 01 2022

"Luha ng Buwaya has 53 chapters. The story is about poor farmers uniting against the greedy desires of the prominent family of the Grandes. In Filipino idioms, "crocodiles" were used to symbolize those people who are corrupt. The "buwaya" (crocodile) in the title refers to the Grandes family, who were greedy for money. Luha ng Buwaya was based on the author's personal experiences while imprisoned in the New Bilibid Prison from 1951 until his release on parole in 1956.

The novel is about peasants from a neighborhood and their leader, a school teacher, fighting against oppression and greed. Through their action, the people find renewed belief in their capabilities. The story is based on the socio-political problems in the Philippines from the 1930s until the 1950s"--cataloger's summary based on various websites.

[The Roxy Letters](#) May 29 2022  
Meet Roxy. For fans of Where'd You Go, Bernadette and Bridget Jones's Diary comes "just the kind of comic novel we need right now" (The Washington Post) about an Austin artist trying to figure out her life one letter to her ex-boyfriend at a time. Bridget Jones penned a diary; Roxy writes letters. Specifically: she writes letters to her hapless, rent-avoidant ex-

boyfriend—and current roommate—Everett. This charming and funny twenty-something is under-employed (and under-romanced), and she's decidedly fed up with the indignities she endures as a deli maid at Whole Foods (the original), and the dismaying speed at which her beloved Austin is becoming corporatized. When a new Lululemon pops up at the intersection of Sixth and Lamar where the old Waterloo Video used to be, Roxy can stay silent no longer. As her letters to Everett become less about overdue rent and more about the state of her life, Roxy realizes she's ready to be the heroine of her own story. She decides to team up with her two best friends to save Austin—and rescue Roxy's love life—in whatever way they can. But can this spunky, unforgettable millennial keep Austin weird, avoid arrest, and find romance—and even creative inspiration—in the process? With timely themes and hilarious, laugh-out-loud moments, Roxy Letters is a

smart and clever story that is “bursting with originality, quirky wit, and delightful charm” (Hannah Orenstein, author of *Playing with Matches*).

The Tattooed Heart Aug 27 2019 The games continue in New York Times bestselling author Michael Grant's sequel to *Messenger of Fear*—a haunting tale for fans of Stephen King that combines fantasy with real-world horror stories. Mara has learned to punish the wicked as the *Messenger's* apprentice. Those who act out of selfishness and greed, and others who become violent because of prejudice and hate, pay the ultimate price. But Mara is constantly reminded that *Messengers* are serving their own kind of punishment—for every person who is offered justice, they wear a tattoo that symbolizes the heart of the crime. As Mara delves deeper into her harsh reality she will discover that in spite of all the terror she and *Messenger* inflict, caring in this world is the hardest part of all.

The Palgrave Handbook of Cold War Literature Oct 22 2021

This book offers a comprehensive guide to global literary engagement with the Cold War. Eschewing the common focus on national cultures, the collection defines Cold War literature as an international current focused on the military and ideological conflicts of the age and characterised by styles and approaches that transcended national borders. Drawing on specialists from across the world, the volume analyses the period's fiction, poetry, drama and autobiographical writings in three sections: dominant concerns (socialism,

decolonisation, nuclearism, propaganda, censorship, espionage), common genres (postmodernism, socialism realism, dystopianism, migrant poetry, science fiction, testimonial writing) and regional cultures (Asia, Africa, Oceania, Europe and the Americas). In doing so, the volume forms a landmark contribution to Cold War literary studies which will appeal to all those working on literature of the 1945-1989 period, including specialists in comparative literature, postcolonial literature, contemporary literature and regional literature.

**Birds of Prey** Dec 04 2022

Birds of Prey (Mga Ibong Mandaragit) is a story of the valiant fight for justice and social change during and after the Japanese occupation of the

Philippines in World War II. Originally written in Tagalog by revered Philippine National Artist in Literature Amado V. Hernandez, and translated to English by Estelita Constantino-Pangilinan, this socio-political novel depicts the oppression of the Filipino people by both the brutal occupiers and their own corrupt leaders, while holding out hope for a vision of an egalitarian society. Inspired by Jose Rizal's novels, it is a sequel to *El Filibusterismo*. *Birds of Prey* follows Mando Plaridel, the guerrilla warrior who discovers his strength and greater purpose as he searches for and finds the treasure left behind by Rizal's protagonist Simoun. This historical fiction examines one country's past but its message resonates with the real and present struggles in societies around the world.
